Desserts

While we typically outsource event desserts to nearby bakeries such as La Maison Navarre (macaroons, pastries, etc.), we can produce desserts in house as well!

We also allow hosts to provide their own cake with a cake cutting fee.

**While these are the options we have laid out that we hone very well,
The Wilder prides itself on making sure every event we host
is personalized to each party.**

**If there is anything not on this list you would love at your event,
do not hesitate to ask!**

Please email filled out form to **wilder@wilderportsmouth.com** with any additional information you would like included or any other questions you might have to ensure open and accurate communication for us to provide the best support to making your event a time to remember!

All pricing will be discussed with your event coordinator at the time of your planning.
